UNITED STATES BANKRUPTCY COURT FOR THE
WESTERN DISTRICT OF WASHINGTON AT SEATTLE

In re:

Debtor.

Case No. 10-19817

**SECOND SUPPLEMENTAL STATEMENT
REGARDING TRUSTEE'S MOTION TO
APPROVE SETTLEMENT OF ISSUES
RELATING TO REAL PROPERTY LOCATED
AT 868 MONTCREST DRIVE, REDDING,
CALIFORNIA**

Ron Brown, Chapter 7 trustee in this case files this second supplemental statement regarding the Trustee's Motion to Approve Settlement of Issues Relating to Real Property Located at 868 Montcrest Drive, Redding, California, as ordered by this Court at the hearing conducted on June 22, 2012. Per the Court's direction this supplemental response deals with the claims filed in the case and how the proposed settlement would impact said claims.

The following properties are at issue¹:

¹ The values are taken from docket #362 and supported by the declaration on docket #363.

Attached as Exhibit "1" is an order allowing claims setting forth how the trustee anticipates the claims playing out in this Grossman case. It should be noted that the estimates as to administrative fees are just that, estimates. The estimates are made upon the probably unrealistic assumption that Mr. Grossman will not be filing any further motions in this case. To the extent further motions are filed the fees will increase exponentially. Mr. Grossman continually represents to this Court that his only interest is getting the unsecured creditors paid. If that is true, then perhaps Mr. Grossman can withdraw all of the claims he filed on

1 behalf of others and save the estate the legal fees that are going to be incurred in objecting to
2 those claims.

3 If the settlement is approved, and Montcrest is sold the estate receives \$10,000.00 in
4 net proceeds. Further, from the sales proceeds Ms. Borodin has agreed to pay the legal fees
5 incurred with dealing with Montcrest issues and obtaining approval of the settlement (which
6 we believe will be approximately \$20,000.00 if the settlement is approved on July 20, 2012).
7 This additional \$30,000.00 would be added to the anticipated proceeds from Glennview Drive
8 and Metro Way (estimated to be \$273,500.00) for total funds available for disbursement of
9 \$303,500.00. That would result in payment of the Chapter 7 administrative claims in full and
10 approximately a 90% disbursement to the chapter 11 claims. Nothing beyond Chapter 11
11 administrative claims would be paid.
12

13 If the settlement is not approved and the Trustee decides to file a complaint to have
14 the Montcrest Property determined to be property of the estate, and the Court (whether it be
15 State or Federal) rules that Montcrest must be sold and the wife's liabilities added to the estate
16 then there would be a total available for disbursement of \$430,000 and additional claims in the
17 approximate amount of \$160,000.00. That would result in payment in full of the Chapter 7,
18 chapter 11 and tax claims, and a disbursement of 7% to the general unsecured creditors.
19

20 If the settlement is not approved and the Trustee decides to file a complaint to have
21 the Montcrest Property determined to be property of the estate, and the Court rules against the
22 Trustee and finds that the Montcrest property is the sole property of Jill Borodin, then this
23 estate would be administratively insolvent by approximately \$25,000.00 and no claims beyond
24 Chapter 7 administrative claims would be paid.
25

26 If the settlement is not approved and the Trustee decides not to file a complaint to
27 have the Montcrest Property determined to be property of the estate, then Montcrest Property
28

1 would remain the property of Ms. Borodin, the chapter 7 administrative fees would be paid in
2 full and a disbursement of approximately 40 percent would be made to the tax claims.

3 Dated this 13th day of July, 2012.
